Dear Parent/s

Greetings from Shakthi !!!

Scouting is a method, a way of life. Through recreation, Scouting achieves its purpose of helping young people develop physically, intellectually, socially, and spiritually. Scouting is all about building confidence and self-esteem, learning important life skills and leadership skills, team building, outdoor adventure, education, and fun. Scouts learn how to make good choices and to take responsibility for their actions so that they are prepared for their adult life as independent persons.

Our Management has decided to introduce Cubs/Bulbuls/Scouts and Guides wing in our school from this year. Parents those who wish to enrol your ward into this movement need to give your consent in this regard.
