## KNOW YOUR SCHOOL

Shakthi Residential School is a unit of Shakthi Education Trust which is located at Shakthinagar , Mangalore, the educational hub of Dakshina Kannada. It is spread over picturesque four acres of land , and situated in a serene locality ideally suited for learning.

Shakthi Residential School founded in the year 2015 beginning with Kindergarten, now offers education upto higher secondary level. Cosmopolitan in approach , the school believes in offering secular education and preparing children for the challenges of present times. Our emphasis is on providing a happy, caring and stimulating environment which encourages and values individual contributions and respect for others. The institution is conceived as a world class organization providing quality education.

The infrastructure houses spacious well ventilated and aesthetically furnished class rooms, vast library, composite laboratory, audio visual room, sports room, a large playground with all facilities for track and games events, swimming pool, hostel, cafeteria and auditorium.

The highly qualified, dedicated and experienced faculty inspire the students to contemplate the subjects by adapting innovative techniques. Creativity in learning is an area of special focus for us. Life skill is an integral part of education we impart here in our school. Regular counseling is an added feature.

Low-student-teacher ratio speaks volumes for quality attention given to our students.

'Shakthi School' believes that every child bestowed on us is unique and has the ability to grow multi dimensionally to be a confident and responsible global citizen and also an ambassador of culture and values.

Education is not the amount of information  
that is put into your brain and runs riot there ;  
undigested all your life. We must have life building,  
man making, character -building assimilation of ideas.

— Swami Vivekananda
